

## Let's Practice: Finding Census Records on Arkivalieronline

The best way to learn a new website is to use it often! This worksheet is meant to help you practice finding documents on *Arkivalieronline*. For each practice document you find, give the image number and answer any extra questions associated with the document. Each document is a little more difficult to find than the one before.

*Practice:* Find the family of Søren Johansen Svendler in the 1801 census in Branderslev, Maribo, Denmark.

a. Image \_\_\_\_\_

1. Find the family of Lars Rasmussen in the 1840 census in Birkholm village, Drejø, Svendborg, Denmark.
